To: Don P. Johnson, Town Manager

Date: 8/6/04

From: Dean A. Charter, Municipal Properties Director 

Subject: Furniture donation

The following item has been generously donated by Dore Hunter, of Foster Street, Acton, to be used in the new Public Safety Building, or other appropriate Town purpose:

Mahogany Desk

Due to the fact that it had to be moved quickly, I had the desk brought to a town facility prior to having it accepted by the Board of Selectmen.
