

**TOWN OF ACTON
INTERDEPARTMENTAL COMMUNICATION
TOWN MANAGER'S OFFICE**

DATE: August 13, 2004

TO: Board of Selectmen

FROM: Don P. Johnson

SUBJECT: Suburban Coalition

We regularly receive bills (such as the one attached) from the Suburban Coalition. At one time we maintained a membership but we have not done so for a number of years and, as far as staff is aware, we do not have anyone from Acton currently participating in this organization. I am not encouraging the Board in any particular direction but I am seeking the Board's direction as to whether you wish to have/maintain a membership. If you do, we will honor the invoice. If not, we will ignore it, as we have been doing.
