Dear Acton Board of Selectmen,

It gives me great pleasure to invite you to the Gold Award Ceremony for Victoria Louise Bennett of Girl Scout Troop 2001. The ceremony will take place at 6:00 P.M. on Monday, May 5, 2003 in the MacNeil Lounge, Lawrence Academy, Powderhouse Road, Groton, Massachusetts 01450.

The Girl Scout Gold Award is the highest award in Girl Scouting. To earn this award, a girl must complete requirements which help her explore careers, develop leadership potential, learn new skills and challenge her to give something of herself and make an impact on her community. The final phase is to design and carry out a Girl Scout Gold Award Project that should meet an expressed need in the community.

Victoria Bennett is an eleventh grade student at Lawrence Academy and has been an active Girl Scout. Victoria devoted three years to completing her Gold Award. Last fall Victoria completed her Gold Award Project, "Cuddly Creatures". Her project's goal was to offer reassurance and comfort to children in Emerson Hospital's Pediatric Intervention Unit by donating handmade, child-safe stuffed animals. Victoria created a pattern to meet the Pediatric Intervention Team's guidelines. She then made stuffed animal donations, as well as organizing a workshop where scout volunteers helped with the project. Since completing her project, Victoria has received reports from the hospital that the animals have been producing many smiles.

We would be honored if you would join us on May 5 at Lawrence Academy to Victoria Bennett's accomplishments and contributions to her community.

Sincerely,

Linda Gardner
