RE: NARA Park Path Paving CPA Request

---

In the spring of 2004 we had requested funding in the amount of \$10,000 to pave the interior path around NARA pond. This fall I have been exploring other resources as an alternative funding source for this project. We currently have a proposal out to Cambridge Savings Bank to garner a \$5,000 donation from them to complete this project using the assistance of the highway department. At this time I feel it would be premature to actively seek out CPA funding for this project until I have heard back on my proposal. Thank you.
