Acton's Lions Club  
P. O. Box 2391  
Acton, MA 01720

Dear Richard:

It is with great pleasure I asked you to convey to the Acton's Lions Club our sincere thanks and appreciation for their monetary gift of One Thousand Dollars (\$1,000) toward the flag pole project associated with Acton's new Public Safety Facility.

The generous private financial support of the Acton's Lions Club will be publically recognized by placement of an appropriate plaque on a flag pole at the facility.

We certainly trust that you and other members of Acton's Lions Club will attend our opening ceremonies. A specific date and time are as yet undecided, but we will be sure you are informed when it has been determined.

Again, our thanks to you personally and to the Lions Club.

Sincerely,

W. Arthur Gagne  
Member, PSF Steering Committee
