**Subject:** Boston Edison Petition - UP #31/184 at Franklin Place - 520 Main Street

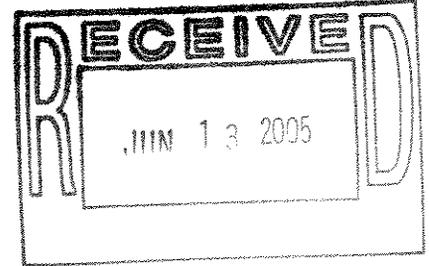

---

We have reviewed the petition from the Boston Edison Company and Verizon New England, Inc. for the relocation of one existing utility pole (UP #31/184) on Main Street in front of Franklin Place. This relocation is necessary to accommodate the new driveway access to the project. The plans approved by the Board of Appeals show the relocated pole behind the existing sidewalk so that it does not obstruct pedestrians and bicyclists.

We do not foresee any problems with granting this petition.
