## InterDepartmental Memo

**From:** Frank J. Widmayer, Chief of Police

**Date:** July 15, 2005

**To:** Don Johnson, Town Manager

**Subj:** Speed trailer

---

As you know, we are interested in purchasing a speed/safety trailer for use by our traffic and patrol officers.

The Haartz Corporation has offered to cover one-half the cost of this device with a donation in the amount of \$4,400.00.

I am requesting that the Board of Selectmen accept this generous donation.

RE: Safety Trailer proposal

Dear Chief Widmeyer,

In the course of a couple of recent telephone conversations we discussed a project to acquire a Safety Trailer to promote traffic safety in Acton. You had also mentioned that one could be purchased for \$8,800. On behalf of The Haartz Corporation, I would like to offer funding for half of that purchase amount, or \$4,400. I understand that you will present this to the Town government for consideration, and if the Town agrees to some kind of funding for the remainder of the Safety Trailer purchase, we will be ready to arrange payment of our half. We are flexible as to the timing of this, mindful that the Town's decision schedule on this matter is hard to define right now.

Sincerely,

The Haartz Corporation  
Eric Haartz
