Hey Rick:

Thanks so much for meeting with Marion and I today about the possible senior cable show. You were a wealth of information and just so willing to work with us on this project; Comcast and Acton are lucky to have your talent!

Marion and I have some things to accomplish and achieve over the next few weeks; it might make sense to invite you to a Council on Aging Board Meeting to answer some more technical information that might be asked, that we can't answer! I'll let you know where we stand and when that is scheduled...it would be great to present this in the most informative way.

Anyway, thanks for your enthusiastic interest and we'll let you know how things go along the way!

In addition; there is probably no reason for you to have to film the Elder Law Program on May 17th; if I am filming other programs I should be able to handle this one. Let's save you for the more "unusual" situations!

You're great, talk soon!

Rick:

Just finished watching your coverage of the Rotary Golf Tournament. Thought you did a superb job. The mix of the fun of the day, the explanations of the game, the activities of Rotary and the presentation of Westminster Woods was excellent.

My thanks to you and your staff on behalf of Rotary.

Looking forward to seeing you at the Jr. High area Administration Building on September 29.

Best

Dear Rick,

On behalf of the Hockey Booster Club and Coach Fontas, I would like to thank you for providing the Comcast equipment which enabled us to broadcast the Varsity vs. Alumni Hockey game. The evening was a large success and your contribution was greatly appreciated by the players as well as the Booster club. We achieved two important goals that evening; bringing the hockey community together and raising money for the high school hockey teams and Danny's Place. Hopefully, with the continued support of community members like you, the Alumni Hockey game will become a regular fundraising event for the High School Hockey teams and continue to provide an enjoyable evening of fun for the entire hockey community.

Again, thank you for contributing to the success of the evening,

Sincerely,

Mary Beth White
