On February 23rd I spoke with a member of the Rotary member about an upcoming event.

On March 3rd I met with Doray Hunter to train him to update the CBB

On March 9th I met with a local business owner to produce a cooking show.

On March 10th I met with a Comcast computer Tech to resolve a pc issue

On March 19th Coverage was provided for a Saturday AB Ice Hockey game

On March 21st I spoke with a community member regarding doing a studio shoot.

On March 25th I met with 6 community members and provided training on how to operate the studio equipment.

On March 26th Coverage was provided for a Saturday AB Ice Hockey game.

On March 30th I met with the community members that were trained to operate the studio equipment to produce a program in the studio.

3) Assistance to PEG Volunteers

Approximately 45 hours of locally produced programming was aired during the quarter. Assistance was provided for approximately 13hrs Comcast TV8 currently has 6 volunteers.

4) Training Classes to Public and Students

Approximately 14 hours of training was done in the first quarter.

5) Educational Programming

With the school year in full swing the programming done by the school includes AB to Z, CSW, Boys Basketball and Girls Basketball

6) Outreach to Library

Comcast TV8 and the Acton Memorial Library are working on finding community members to cover book readings done at the library.

7) Other Matters

Comcast TV8 has moved in to our final location in the new school building. Our new space is everything we hoped for and more giving us a greater ability to move more freely through the space and provide training to a larger number of community members at the same time.

8) Time Sheet
