

QUARTERLY ACCESS COORDINATOR REPORT

April – June 2005

1) Studio Operations

The studio was open for approximately 409hrs to assist the community with access production, generally between the hours of 1:00 PM until 9:00 PM depending upon the weekly schedule of live meeting coverage. The studio is also open from 7AM – 3PM Monday – Friday for students and faculty of the schools. Coverage was provided for Selectmen Meetings, Local School Committee, Regional School Committee and Finance Committee.

2) Outreach Services

- On April 1st I spoke with a Comcast Tech regarding issues in the studio.
- On April 1st I spoke with a Comcast Tech regarding the live drop for Town Meeting
- On April 1st I spoke with a Comcast Tech regarding the testing of the live drop for the 2005 Graduation.
- On April 1st I met with Dick Bartalmo to provide training on out editing equipment.
- On April 1st I met with a Comcast Tech to test the live drop for the 2005 graduation.
- On April 4th I met with the staff of the Hudson studio in order to set up for Town Meeting.
- On April 8th I met with members of the Acton Water Dist to produce a program in the Comcast TV8 studio.
- On April 13th I spoke with a member of the Rotary club in regard to covering the opening of the out door class room.
- On April 14th I met with a community member to provide training on our editing system.
- On April 14th I met with members of the Acton School Dist regarding the outdoor class room
- On April 14th I spoke with four members of the Rotary club in regards to the outdoor class room.
- On April 15th I met with a community member regarding a show they would like to produce.
- On April 18th I met with a member of the Acton School Dist in regards to the outdoor class room.
- On April 19th I helped the Hudson studio produce a regional program.
- On April 21st I helped the Hudson studio produce a regional program.
- On April 22nd I helped the Hudson studio produce a regional program.
- On April 26th I met with members of the Rotary club regarding the outdoor class room.
- On April 29th I met with a community member to provide training on remote equipment.
- On May 2nd I met with a member of the Acton School Dist regarding the outdoor class room.
- On May 5th I Met with a member of the Acton COA regarding a program the COA and Comcast TV8 will produce.
- On May 11th I met with a member of the Acton COA to provide training on the remote equipment.
- On May 24th I met with a community member to provide training on our editing system.
- On June 9th I met with Comcast rep Rob Travers and the Acton Cable committee regarding questions they had about the studio
- On June 24th I met with a local business owner regarding the producing of a cooking show.

3) Assistance to PEG Volunteers

Approximately 42.5 hours of locally produced programming was aired during the quarter. Assistance was provided For approximately 12hrs. Comcast TV8 currently has 8 volunteers.

4) Training Classes to Public and Students

Approximately 4 hours of training was done in the second quarter.

5) Educational Programming

With the school year rounding up for the summer our focus moves to the broadcasting of the ABRHS graduation and gearing up for a sports season that see both Comcast and ABRHS broadcasting students covering more sporting events every year.

6) Outreach to Library

The minuteman Library Network was very helpful to TV8 regarding accessing a list of non-profits in the town of Acton.

7) Other Matters

With summer brings time to clean and have broken equipment repaired, both will be on the list of things to do this summer. Also Comcast TV8 is looking forward to working with vendors to update the studios equipment with contracted money.

8) Time Sheet

In studio: 409 hours

Outreach/non-studio work: 42 hours

Remote shoots (meeting coverage, etc.): Appx. 39 hours
