Re: Scenic Road / Public Shade Tree Hearing
Pope Road

Dear members of the Board and Tree Warden,

On behalf of our client, Ellsworth Village, LLC, we hereby request a joint hearing under MGL Ch 40 Section 15C and Chapter 87 Section 3, for the referenced site. This request is being made in order to remove three oak trees located within the right of way of Pope Road. The trees, which are located in front of 42 Pope Road, are 36 inches, 30 inches and 20 inches in diameter. The tree removal is necessary for sight distance improvements at the Brabrook Road and Pope Road intersection. A "Tree Removal Plan" showing the proposed work is attached.

Thank you for your attention to this matter. We look forward to discussing the project with you at the public hearing. Please call our office if you have any further questions.

Respectfully yours,

Stamski and McNary, Inc.
