Don:

Due to Stacy Rogers' recent resignation, the Planning Board has a vacancy amongst its slate of full Board members. Associate Michael Densen is willing to accept appointment to a full-member position. He has only recently been appointed to the Associate post and might still be fresh in the Selectmen's minds. Please schedule his appointment to full Planning Board membership at the next available meeting of the Board of Selectmen to fill the remaining term of Stacy Rogers which expires 6/30/2009. Please let him know if the Selectmen wish to schedule him for another interview.

His appointment would open an associate member vacancy on the Planning Board. By copy of this to the VCC I am asking them to start looking for suitable candidates.

Thank You -

Roland,

Sorry to take this long to get back to you. I've been on vacation for two weeks.

This fall I'm fairly busy with other activities, so I'm not really in a position to take this on just yet. These activities will be freeing up for me throughout the fall so I can get more involved, but at this time I recommend Michael over me. I did get an email from Michael saying he has the time and is prepared to do this now.

Thanks,

Bruce

Dear Michael, Dear Bruce:

Stacy Rogers' resignation has left one opening on the full-member roster of the Planning Board. Normally, such openings are filled by the senior associate member. Both of you have been appointed at about the same time and have so far attended one meeting. I am writing to see if one of you might be willing and ready to step up to a full Planning Board membership. Perhaps you might look over your commitments in the coming year or so, and consult with one another - then let me know who of you I should name to the Board of Selectmen for full membership appointment. I realize this comes perhaps sooner than you had anticipated, but I hope one of you will be able to take on the task.

Regards -

Don:

Let's appoint him a full member via consent - I see no need for another interview since we already interviewed him.
