Ms. Holly Ben-Joseph
Chair
Design Review Board
Town of Acton, MA

Hi Holly,

Please allow me to introduce myself. Last Wednesday, I was elected Chair of the Acton 2020 Committee. I wanted to reach out to you and your fellow DRB members and briefly touch base regarding the Kelley's Corner RFP, but more important I hope to discuss ways in which we can work together.

I saw today that on the Agenda for your next meeting, one item is a discussion of the Kelley's Corner RFP. I am available to attend the meeting Wednesday night to update the DRB on the RFP process and in general to discuss what Acton 2020 is working on since Town Meeting. (I should tell you that the RFP has already been advertised and Roland will follow-up with more of the details regarding the schedule).

Thanks,

Andy

(I hope you don't mind me sending this to your personal/business e-mail; I would have sent it to the official DRB e-mail, but I wasn't sure how often that is checked.)
