**Subject:** Town Meeting Dates

Given the Board's inclination to hold a Special Town meeting in late May early June, Eva investigated availability of the School's facilities. Her message is included below mine. While the Board cannot discuss or agree on a date via e-mail or phone, My plan of action is to book the Senior High School Auditorium on Monday June 13 as a place holder, unless Board members object.

*We would ask the Board to call a Special Town Meeting for June 13, 2005 tonight. The Board may close the warrant anytime between tonight and May 20, 2005*

In addition the Fireworks Contractor could not schedule the fireworks for July 3 with a rain date of July 4. Therefore, we made the executive decision to have the fireworks on July 4 with a rain date of Sat. July 9. Sorry for the confusion.

John

Your question in regard to a possible Special Town Meeting, the Jr High Auditorium is available the week of June 8th. The High School Auditorium is available June 8th and 9th as well as the 13th, 14th, and 15th.
