Subject: Committee appointments

Unfortunately I was not able to contact all the necessary folks on all my liaison committees before I left on our current trip to Maryland. Then somehow I got out of the house without taking the file with me as I had intended. As a result some of this is from memory.

VCC - No changes (unfortunately since the committee is short several members)

Council on Aging - Gena Manalan should be listed as the Vice Chairman, she and the Chairman (I am drawing a blank as to his name) are not Co-Chairs. All the current regular members to be reappointed for another year. Inasmuch as the Committee is listed as needing nine Regular members, and there are four Associates on the list, the first two listed Associates are to be appointed as Regular Members. The listing indicates only one Associate for this committee, but lets leave the remaining two persons listed as Associates for now and give them another year.

Board of Appeals - Ken Kozik is to be made Chairman. Jon Wagner, who has been Chairman is to be made an Alternate Member and reappointed for a normal term. I have made several phone calls trying to get hold of Marilyn Peterson who would be my choice to move from Alternate to fill the vacancy created by Ken's promotion and be appointed to a normal term as a Regular Member. I am going to send her an email this evening and **I would appreciate if staff could also try to contact her to see if she is willing to so serve.**

MBTA Advisory, Fitchburg Rail Group, & Route 2 CAC - I reappoint myself.

Subject: OLEC renewal and membership

Dear Board,

OLEC has been informed by the VCC that its current term is expiring.

Therefore, we request that you please renew our five current Voting members for another two year term.

Our current members are:

Steven Feinstein, Martin Graetz, Gary Green, Bernard Kosicki and Hart Millett

We further request that two Associate Member positions be added to the five Voting members. If this request is granted, then we propose to fill the two new positions in the following way:

1. Steven Feinstein, longtime OLEC member, requests to step down from being a Voting member and take a position as Associate member. Steven has been the principal architect of the very successful fourth grade Star Parties, and wants to continue. His business travels make it difficult for him to make many of the regular meetings, so he is making way for someone who can attend more regularly to help OLEC make quorum more easily.

Here is his letter forwarded to the Board: ++++++

Dear Acton Board of Selectman Members,

I am writing to request your approval for my application to join the Acton Outdoor Light Education Committee as a voting member. I first became interested in preserving our dark skies during my reintroduction to astronomy 7 years ago. Since that time, I have become even more aware of the need to reduce excess lighting in the interest of saving our finite natural resources while providing a safe environment for the residents of Acton. I believe the Outdoor Light Education Committee will be a great organization for me to work with as it matches my interest in astronomy, reducing light pollution and promoting energy conservation.

My wife and I have been residents of Acton since the spring of 1993. We have two school age boys attending the Douglas School. I work in the biotech industry as an Analytical Biochemist. I am also an active member of the International Dark-Sky Association and the Amateur Telescope Makers of Boston (ATMOB). Through ATMOB, I have served as a participant in the OLEC sponsored Acton 4th grade Astronomy Night for the past 4 years. I have also served as a board member for the Acton Children's School between 2003 and 2005.

I believe my commitment to the Town of Acton, interest in reducing light pollution as well as my analytical background will make me a strong contributing member of OLEC. Thank you for your consideration regarding my candidacy for this position.

Hi Jim,

I am working on the TAC reappointment list. I am aware that Leslie Hogan has resigned, and I will report that back to the Board of Selectmen. Maureen Greer was already voted to move up to full membership at our last meeting. Either Franny or Harvey can now move up to full membership. Can you find out if either of them is interested in becoming a full member? Franny was appointed first, so she should get first dibs. If she is not interested, you can ask Harvey. If neither is interested we can ask the VCC to look for a new full member.

Oh, and by the way, I need the information by tomorrow. Sorry for the short notice everyone. We vote reappointments on Monday.

Lauren

Subject: Reappointments--EDC and EDIC

Hi Maryjane,

EDC—Reappoint Chris Papathanasiou (Pappas) for another 3 year term. There are some empty positions I will bring up to discuss with the Board.

EDIC—Reappoint Jon Avery and John Ravis. The committee is still on hold.

Thank you very much.

Lauren

Hi Maryjane,

Can you list the reappointments as Frits describes them below? Oleg Volinsky will need to be voted from associate to full member. Brandy Branden who already served is recommended to be appointed as a full member. His 1 year sunset period is over.

Lauren,

Thanks for setting up the meeting, and I look forward to working with you and Dore.

I request the following on reappointments:

Michael Geis	Yes
Mark Eisenberg	Yes
Ernie Lang	No
Brian Costello	Yes
Terra Friedrichs	Yes, associate
Oleg Volinsky	Yes – Full member
Brandy Branden	Yes Brady had apparently been sunsetted last year and we didn't find out about it until later in the year, but he is a valuable and knowledgeable resource and we'd very much like him to be reappointed as well officially (he is willing to serve).

This together with John Covert and myself will bring us to full seven members and one alternate.

Thanks.

Subject: Reappointments

Hi Frits,

Thank you again for meeting today.

It is time for end of Fiscal Year reappointments for all town boards and committees. The folks up for reappointment on the Cable Advisory Committee are:

John
Frits

Michael Geis	Yes
Mark Eisenberg	Yes
Ernie Lang	No
Brian Costello	Yes
Terra Friedrichs	Yes, associate
Oleg Volinsky	Yes
Brandy Branden	Yes Brady had apparently been sunsetted last year and we didn't find out about it until later in the year, but he is a valuable and knowledgable resource and we'd like him reappointed as well officially.

term is up as well. I know you had spoken about having him move up to full member. I would like to do this officially at this time, if he wishes to be a full member.

Please let me know as soon as possible which members you think should be reappointed, and if Oleg still wishes to move up to full membership. term as associate is up for reappointment as well. If you think she is still interested I will reappoint her. If she wishes to step off the committee this would be a good time to do so, and we will look for 2 new associates to fill the vacancies via the Volunteer Coordinating Committee.

I was reminded today that I need to get this information into Town Hall by tomorrow (Friday) to be in the packet for Monday's June 25 Selectmen meeting.

Sincerely,

Lauren

Christine,

Sorry, I did not see that. I am not aware of anyone who has applied for that post, and there are only three members, so I see no choice but to reappoint. However, lets do it for only one year so we can see in that period if there are any other folks that could be found that might be interested.

Christine,

Thank you for sending the lists re committees. I have looked those over to make sure I did not overlook anyone while working on memory yesterday. There are a couple small points:

Fire/EMS: Delete Randy Steines, he did not accept the appointment

Council on Aging: Stephen Baran is the Chairman and will remain so. Gena Manalan is the Vice Chair. Cantrill and Carell to be elevated to full regular members.

Marilyn,

I have attempted several times to contact you by telephone and I am now out of the state on a ten day, multi event trip. As the Selectman liaison to the Board of Appeals, and after consultation with the new Chairman, Ken Kozik, I have proposed that you be elevated to a Regular Membership with the appropriate term. I would appreciate it if you could reach me by email (dorehunter@aol.com) and advise me if you are willing to so serve. Thank you for your consideration.

Corrina: The CPC voted last night to recommend to the Selectman that Nancy Tavernier be appointed to the at-large seat when Catherine Coleman's resignation becomes effective. That would leave two associate member seats vacant. You need to contact the manager's office and obtain an application to be interviewed by the volunteer coordinating committee to get the process started for you to be considered.

Thanks.

Dear Board of Selectmen,

I am writing to you to express interest in joining the Community Preservation Committee as an Associate Member if this position becomes available.

As you may recall, I ran for Board of Selectmen recently as I am interested in becoming more involved in our community. Well, I was not kidding. I feel very fortunate to live in this great town, am thrilled that Acton adopted the Community Preservation Act and I would love to serve on the CPC. I humbly submit my request and my resume for the Board's consideration.

In addition to my professional qualifications, I am active with the League of Women Voters Environment Team and have joined the newly formed Sidewalk Committee.

Corrina: I am the Board of Selectman's liason to the CPC, which has a meeting scheduled for tonight. There is a vacancy in one of the CPC's Associate Member slots, as well as a vacancy in one of the at-large full member slots. The CPC has scheduled on its agenda for tonight a discussion about filling all the openings. We will certainly discuss your interest. The Slectman hope to appoint members to the vacancies on all Town boards at our meeting on June 25.

Thank you for your willingness to contribute to our Town government

Regards,.
