Subject: Agenda item for July 10th Planning Board Meeting

We would like to be placed on the agenda for the July 10th Planning Board meeting.

Requested by: Paul Gaboury & Glen Kaufmann, buyers of the property.

Subject: 45 Main Street Road Improvement Plan Revision.

Purpose: Seeking an opinion on the need for a public hearing on the revision, which modifies the termination of Renwick Way to a cul-de-sac to be located on the Way and on what is known as Lot 1 & 2.

Presentation materials to follow.

Thanks, Paul
