Mr. Matt Seal
Director of Property
Crown Castle
9105 Monroe Road, Suite 150
Charlotte, NC 28270

Dear Mr. Seal,

I would like to take this opportunity to express the appreciation of the Acton Planning Board for the assistance of your associate, Jim Albiani, in resolving a long standing issue in securing an easement to a Crown site in our town, allowing an upgrade to network services to increase bandwidth for your tenants.

Thanks to his diligence and perseverance, an easement issue that was outstanding for several years was resolved in weeks between the landowner and Crown. As the role of our Board in this matter is to minimize the number of cell tower sites in Acton by maximizing the use of existing installations, this resolution has obviated the need for an additional tower in this part of our town.

Jim was a pleasure to work with, delivered on his commitments, and represented your company in an outstanding fashion.

Sincerely,

Greg Niemyski
Chairman, Acton Planning Board
