REF: Tupelo Place Certificate of Compliance Request  
DEP File # 85-536

Dear Chairman Maitland:

Please find attached a *WPA Form 8A - Request for Certificate of Compliance* for the roadway, grading, and associated utility construction a Tupelo Place, off Prospect Street in Acton. The roadway was as-built in 2000 and subsequently approved by the Town of Acton Engineering Department and Planning Department.

At this time all work has been completed in substantial compliance with the approved design plans and the site is fully stabilized. Therefore we are requesting that the Commission issue a Certificate of Compliance under the *Massachusetts Wetlands Protection Act* and the *Town of Acton Wetlands Protection Bylaw*.

Please feel free to contact our office with any questions and concerns.

Very Truly Yours,

LANDTECH CONSULTANTS, INC.
