Subject: Acton/Planning Board: QRCC Draft Decision

Dear Roland:

As we discussed, I recommend collapsing the proposed post-decision procedure in the draft decision, by which the Planning Board will decide on the "second access" alternative, into a single consolidated public hearing. That way, the Planning Board will have all relevant alternatives and information before it at the same time, and interested parties can comment on, advocate for, or oppose any alternative with a fair comparison to the other alternatives.
