Acton Sidewalk Committee

Invites Public Input at March 12 Meeting

Selected Streets to be Discussed

Acton, MA (March 2, 2008) --- The Acton Sidewalk Committee has completed the first phase of its sidewalk analysis by defining criteria for evaluating the need for sidewalks, and using that criteria to produce a list of streets for further consideration.

The committee has scheduled a public input session for Wednesday, March 12, 2008 at 7:00 p.m. in Room 204 (Faulkner Room) in the Acton Town Hall at 472 Main Street in Acton Center.

Acton residents are invited to attend this meeting to provide input on these selected streets to assist the committee in the creation of a priority list for sidewalk construction in Acton.

Streets to be discussed at the meeting are:

Central Street ----- #156-201 near Mt Hope Cemetery & Windsor Avenue

Central Street ----- at the Elm Street RR track crossing

High Street ----- various sections

Parker Street ----- Drummer Road to School Street

Piper Road ----- all

Prospect Street ----- lower part

River Street ----- all

School Street ----- Hosmer Street to Lawsbrook Road

Taylor Road ----- all

Willow Street ----- Duggan Road to junction with Central Street and on to Massachusetts Avenue (Route 111)

In addition, a list of the major artery streets will be discussed at another special public input session in April at a time and place to be determined.

Those artery streets are:

Great Road (Route 2A)

Main Street (Route 27)

Powdermill Road (Route 62)

For questions, or further information, you are invited to call Committee Chairperson Paulina Knibbe (978-266-9613) or send an E-mail to sidewalks@acton-ma-gov.
