RE: Approval for Pole Banners

For your approval, we are seeking permission for use of the pole banners at both the Acton Town Hall and the South Acton Train Station.

Approval is being sought to reuse last year's yellow multipurpose pole banners that announce beach & youth programs and the Town website and new 2009 concert series attached. The colors for the new banners are the same scheme as last year.

Total number of banners would be: 8 -- 2009 concert series at each location (blue)
8 -- multipurpose at each location (yellow).
For a total of 32 banners

The dates we would like them displayed at both Town Hall and the Commuter Rail Lot would be from May 29 through Sept. 1.

Thank you.
