Subject: FY2010 Municipal Candidate Projects for CPA funding

Dear Jon and other members of the CPC,

The Board of Selectmen has received initial information about five possible CPA projects for FY2010:

Historic:

- Replace the windows in Town Hall
- Replace windows in the red house next to Town Hall
- Historic Preservation of the Windsor Building
- Moving the Powderhouse/ Doll House from S. Acton to another location and preserving it for re-use

Open Space

- Purchasing a piece of property in S. Acton

We are scheduled to discuss these projects at the Board of Selectmen meeting on Nov 16th. At that time, we will decide which ones to send to the CPC for consideration for inclusion for FY 2010. Unfortunately, our meeting occurs after your deadline of Nov 12th. We would appreciate it if the CPC would extend your deadline for project submittals until Nov 18th in order to allow us the time for thoughtful deliberation and prioritization of these potential projects.

Thank-you for your consideration.

Chair, Acton Board of Selectmen
