Hi Kristin,

On December 3, 2009, Scott Hayes delivered to Corey York the final revised site plan Corey requested for Centennial Lane. Along with the site plan, you should have all internal emails from the various departments signing off on all phases of Centennial Lane. Therefore, I would like to request that you schedule Centennial Lane, LLC for the next Planning Board meeting to have our performance bond in the amount of \$34,800.00 released.

Glen Kaufmann
