Subject: Donations to Haiti

We have a surplus of approximately 1500 syringes sent to us by state for H1N1 vaccinations, we would like to donate it to IMEC America, Andover, MA. They would be grateful for our donation. (<http://www.imecamerica.org/>) They are a non-profit group that can get it to Haiti-we simply ship it to them. We checked with DPH and they gave it the ok. Could we have this declared surplus for the town at next Selectman's meeting.

We selected this group as they are the only ones we could find that take smaller medical donations such as this. Most require very large donations. Let me know if you need more information.

Merrily
