Cc: Planning Board; Board of Selectmen
Subject: MAGIC/MAPC Representative

Hi Ryan,

The Metropolitan Area Planning Council (MAPC) and Minuteman Area Group for Interlocal Coordination (MAGIC) need a representative from the Planning Board to serve as a representative of Acton. I am the Selectman Rep. At various times Greg, Ray, and Bruce had been assigned as members. But they are now encouraging both a Selectman and a Planning Board member to actively attend meetings.

The MAGIC meetings are once a month on Thursday evenings at 7PM--usually the first Thursday of the month, and meet on a rotating basis in the different member towns (Acton, Littleton, Sudbury, Concord, Boxborough, Lexington, Stow, Maynard, Bolton) The MAPC meetings are 4 times a year. The focus is on regional planning and regional issues such as transportation, environment, land use, economic development, and others.

If you have any further questions, or your Planning Board members have questions, please have them contact me.

Lauren
