Subject: RE: Beacon Court Subdivision Review

Good Morning,

After reviewing this plan with Engineering it appears that the drive and turnaround are still extremely tight for an SU30 vehicle under the best conditions. In the event of snow banks the tight turns may be even worse .

Subject: Beacon Court Subdivision Review

Hi,

We are in receipt of revised plans and documents for the Beacon Court Subdivision off Robbins Street - see this link:

<https://doc.acton-ma.gov/dsweb/View/Collection-4012>

The Planning Board's hearing continuation on this matter is scheduled on January 4th, 2011. If you have any further comments, please provide them to us in time for the hearing. I apologize for the short notice. If you need full plan sheets for review, we have a few in the Planning Office.

Thank You
