Re: Exterior Wall Sign, 145 Great Road, "Elements Therapeutic Massage"

Please be advised that the Board of Selectmen, at their regularly scheduled meeting of February 28, 2011, discussed the proposed wall signage for Elements Therapeutic Massage, located at 145 Great Road.

The Board of Selectmen unanimously voted to recommend to the ZBA to allow the sign at the above location and the sign should be similar in dimensions to existing signs at that Plaza.

The Selectmen also felt that changing the zoning for the Plaza from R-8 to Commercial would be the best in the long term.
