RE: Proposed Warrant Article for Pharmacy Drive-up Facility

Dear Members of the Board of Selectman and Planning Board:

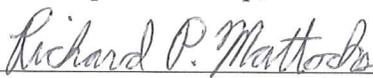

Thank you all for the time you spent thoughtfully reviewing and holding hearings on the proposal to amend the Town of Acton Zoning Bylaw to allow pharmacy drive-up facilities. Your time is greatly appreciated.

As neither the Planning Board nor the Board of Selectmen are presently in a position to recommend the proposed zoning change at Town Meeting, it is requested that the proposed article not be included in the warrant for the upcoming annual Town Meeting. Alternatively, if this is not possible, it is requested that the article be passed over at Town Meeting.

Please let me know at your earliest convenience whether the warrant article will be withdrawn or passed over.

Again, thank you for your time. We look forward to discussing this matter more fully in the future during the permitting of Phase II of *The Shoppes at Kelly's Corner* and continuing to work cooperatively with the Town.

Very truly yours,  
TRB Development Group, Inc.
