Subject: Exchange Hall

Hi Steve

I see that Exchange Hall is up for discussion at tonight's BoS meeting. The last info I have regarding this is from the site visit with Mark Dempsy. At that time the MA AAB had accepted Glenn Berger's proposal to install the LULA and to complete the rest of necessary items to make the building fully accessible. The AAB gave Glenn 9 months to complete the work. The only outstanding item is the accessibility of the stage in the function hall. Glenn intends to give another proposal to the AAB regarding the stage.

Some of the necessary accessibility issues have been completed. Other items will be completed as part of the LULA installation.
