Detective Prehl has discussed the situation with the applicant and have agreed that they will be required to hire two detail officers as they did last year. I recommend that the Board of Selectmen approve the license with that condition.

Ok, I don't care I just wanted to know how much time I had. That's no problem, it's plenty of time. If you said Monday that might be an issue.

Hi Frank:

I just received this today. His road race is scheduled for September 7th, however the next meeting for the Selectmen is September 8th. We are trying to plan for a special Selectmen Meeting for a consent item that cannot wait for the 8th (documents that need signing), so hopefully we can include this as well.

Regards,

Lisa
