Please add Florence & Dick to consent for the next meeting. I still have to interview Alan & Lisa.

P.S. did you get my BOS annual report?

Subj: VCC Recommendation for Florence Ross

The Volunteer Coordinating Committee met on January 12, 2015 and interviewed Florence Ross for a position on the Acton Nursing Service Task Force. Florence is a registered nurse and is retired from the Acton nursing service. She has lived in Acton for over 50 years. Since her retirement in 1991, she has volunteered with the friends of the Acton nursing service.

Florence has kept current having followed the changes in healthcare from the implementation of Medicare through the current implementation of the affordable care act. She has recognized the need for marketing for ANS and has been active in writing a newsletter for FANS. She is also active in spreading the word by visiting nursing homes and is knowledgeable of many potential clients for ANS. She is passionate about the ANS and would like to share her ideas about putting a face on ANS, following up on the consultants suggestions and moving forward with Tele Health.

She appears to have her feet on the ground; her heart and soul are in. She has the time to participate and she would provide a good balance to the task force.

Therefore, the VCC recommends the Florence given further consideration for the Acton nursing service task force.

Board of Selectmen and vcc:

I would like to volunteer for the Acton Nursing Service Task Force. I am a licensed Registered Nurse since 1948 and have been involved in health care since that time. I was a Staff Nurse at ANS for 25 years (1966 - 1991), (prior to that I worked in CA, PA, VA, Illinois.) I have been President of Friends of Acton Nursing Service for about 21 years. I am licensed in Massachusetts and New York State.

I have followed changes in Health Care especially since Medicare was implemented and now as the Affordable Care Act is implemented.

My involvement and concerns for ANS have been unwavering. I have continually recommended Marketing for ANS and hope that with a Task Force, my input would be considered.

Subj: VCC Recommendation for Dick Calandrella

The Volunteer Coordinating Committee met on January 12, 2015 and discussed Dick Calandrella for a position on the Acton Nursing Service Task Force. He is an enthusiastic and vocal supporter of the Acton Nursing Service. His skill set and experience are an excellent match for the requirements of this task force. He has served Acton well in the past and is still currently on many committees. His skills are detailed in the resume accompanying his application.

Normally the VCC would not vet someone like Dick. We would quote his qualifications and experience and forward his name for further consideration by the Board of Selectmen directly.

However, part of the criteria we use is the applicant's ability to regularly attend meetings. Dick has had some personal issues recently and has not been able to attend meetings of any committees for the past few months. We do not perceive that his situation will change in the near future.

Therefore, we cannot nominate him for membership on this committee but recommend he be given further consideration for some other role associated with the Acton Nursing Service Task Force.
