INTERDEPARTMENTAL COMMUNICATION

To: Board Of Appeals

Date: May 20, 2015

From: Engineering Department

Subject: Special Permit Application - #15-10 – Floodplain – 7 Arborwood Road

We have reviewed the above mentioned Special Permit application and have the following comments:

1. The applicant proposes to remove more material than will be filled, thereby providing compensatory storage for the 100-year flood level.
2. The finished floor elevation of the addition appears to be above the 150-ft flood level.
