The **Acton-Boxborough Regional School Committee** met on September 15th. They heard presentations on school improvement plans from Blanchard and Conant Elementary schools. The Committee also voted to approve the AFSCME contract for custodians and maintenance staff to cover FY17-FY19. Details of the contract were in my last report. They also voted to approve the Superintendent's goals for the 2016/2017 school year and heard and update on the district's master planning process. They are currently in Phase 2 of the process and held their third and final visioning workshop earlier that day. There will be a presentation from their consultant at the start of their 10/6 School Committee meeting. The Committee also voted to sign a resolution opposition Ballot Question 2 which would lift the cap on charter schools in Massachusetts
