Scott,

I have had the opportunity to review the building plans for this request and I have no outstanding issues.

Respectfully,

Good afternoon,

I am in receipt of an amendment for a Site Plan Special Permit #SPSP 07/10/09-422 for 107-115 Great Road. The applicant is proposing minor modifications to 107-115 Great Road. The site is also known as Wetherbee Plaza II. The applicant proposes to construct an addition to one of the existing structures. The project will result in a decrease in the impervious surfaces at the site and allow the existing structure to be utilized in an economically viable way. No changes to other buildings or portions of the site are proposed.

Please email your questions or comments if any to Scott Mutch in the Planning Department no later than October 10, 2014.

Best regards,
Cheryl
