ACTON HISTORICAL COMMISSION

September 11, 2015

Mr. Frank Ramsbottom, Building Commissioner
Town of Acton, Acton Town Hall
472 Main Street, Acton, MA

Dear Mr. Ramsbottom:

Regarding an application to demolish structure at 248 High Street, the Commission conducted a Public Hearing on September 9th. and the Historical Commission has voted the following:

“The Commission unanimously determined that the existing residential structure at 248 High Street is a preferably preserved significant building under Chapter N of the Town’s Bylaws, and therefore we are required to impose a demolition delay for a period of one (1) year from the date of this determination, pursuant to Chapter N.” The Commission would recommend that the owner contact a local realtor who is sympathetic in finding a new owner who will recognize the importance of the existing structure and is willing to restore the structure to its original grandeur.

Sincerely yours,

William A. Klauer
