RE: Request to name existing way  
540 Mass Ave. APB Decision 01-12

Dear Board Members:

On behalf of the proponent, Cecila Joan Flannery, Goldsmith, Prest & Ringwall, Inc. (GPR) respectfully request the Planning Board approve the proposed name of the existing way at 540 Mass Ave. The decision 01-12 Determination of the Status of the Existing Way at 540 Mass Ave agreed the existing way to be a permanently private way. The applicant would like to name the way, Flannery Way. They have checked with the street index, police and fire departments and have found no conflicts with the proposed private way name.

On behalf of the applicant GPR respectfully request the Acton Planning Department and Acton Planning Board approve this request. Please contact our office with any questions, requests for additional information and or notification of any meetings relative to this application.

Sincerely,

Bruce D. Ringwall, Pres.
