Sent on behalf of Peter J. Berry, Chair, Board of Selectmen

To: All Board/Committee Members:

On Oct. 17 at 8 pm in Room 204 the Selectmen will hold a public forum to solicit input regarding plans for future development of Morrison Farm, particularly the fate of the house on the property.

Attached is a link which contains materials relating to plans for Morrison Farm over many years. The most recent comments are contained in the 2016 Board/ Committee Comments file:

The Selectmen hope to make a decision to finally move forward on plans for use of this important piece of Acton's history and landscape.

The Selectmen encourage you to attend and submit further comments either on behalf of your Board/Committee or as an individual citizen.

Thank you all for your commitment to our Town.
