Re: Tobiko Japanese Fusion, Inc. , 103 Nagog Park

The Health Department has reviewed the application for the Common Victualler License and Liquor License submitted by Tobiko Japanese Fusion. The Department is in the process of reviewing their renovation plans and meeting with them on the requirements of both the Federal and State Food Code. A pre-opening inspection will be required by this Department prior to operation. At this time the Health Department recommends approval of their Common Victualler and Liquor License applications.
