Farmers Market - needs volunteers

A. Rural Character

Forest Mgt - Promote diversity
Invasive mgt
Deer Mgt.?

Local Farms - Agic Restrictions

Community Gardens - S. Acton + W. Acton

Parking considerations
Access number of slots needed.

Rail Trail impact

B. ENVIRONMENTAL RESOURCES

- Irrigation/wells at Arboretum.
- Overpopulation of Deer.

Reduce deer population
Bow hunting by permit.

Reducing Japanese Barberry.

Ongoing education on open space purchase
Get the word out

Private land donations - educate public about

Update zones to protect parcels.

Change some access corridor parcels to conservation.

"micro trails" for connectivity of neighborhoods → donations of private land

B. Environmental Resources

- Establish hammerhead lot ratios as in other towns.
- prioritize build sidewalk segments that connect cons (and) entrances
  ex. 150 Newtown Rd / Grassy Pond
  like Grassy + Nagog Hill
- put CR's on all our Cons. lands!
- Consider where not to put trails on Conservation lands for wildlife protection
- Open Space protection to focus on wildlife corridor protection + creation.

B. Env. Resources

- protect 46 Wood Lane access corridor to Arboretum
- prioritize, Identify + resolve conservation land encroachments.
- Revive water quality monitoring, esp. on streams.
- Revive clean up of streams.
- revive stream teams
- more ongoing educational outreach on all these topics.
- newspaper - local - weekly colu
  "Conservation idea of the week"

B. Environmental Resources

Encourage ~~for~~ school programs that get kids in to the woods.

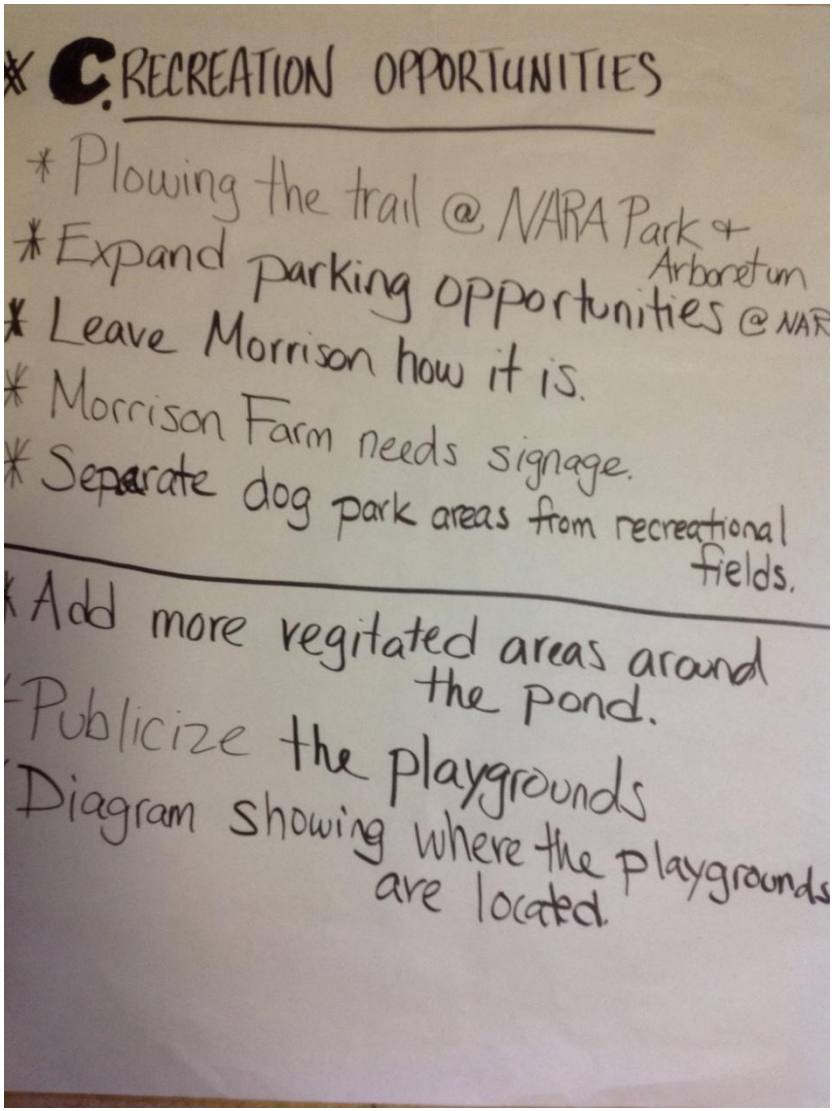
Develop trails between schools and conservation areas.

Consider industrial truck exclusions to protect ~~ert~~ environmental resources + dense residential neighborhoods

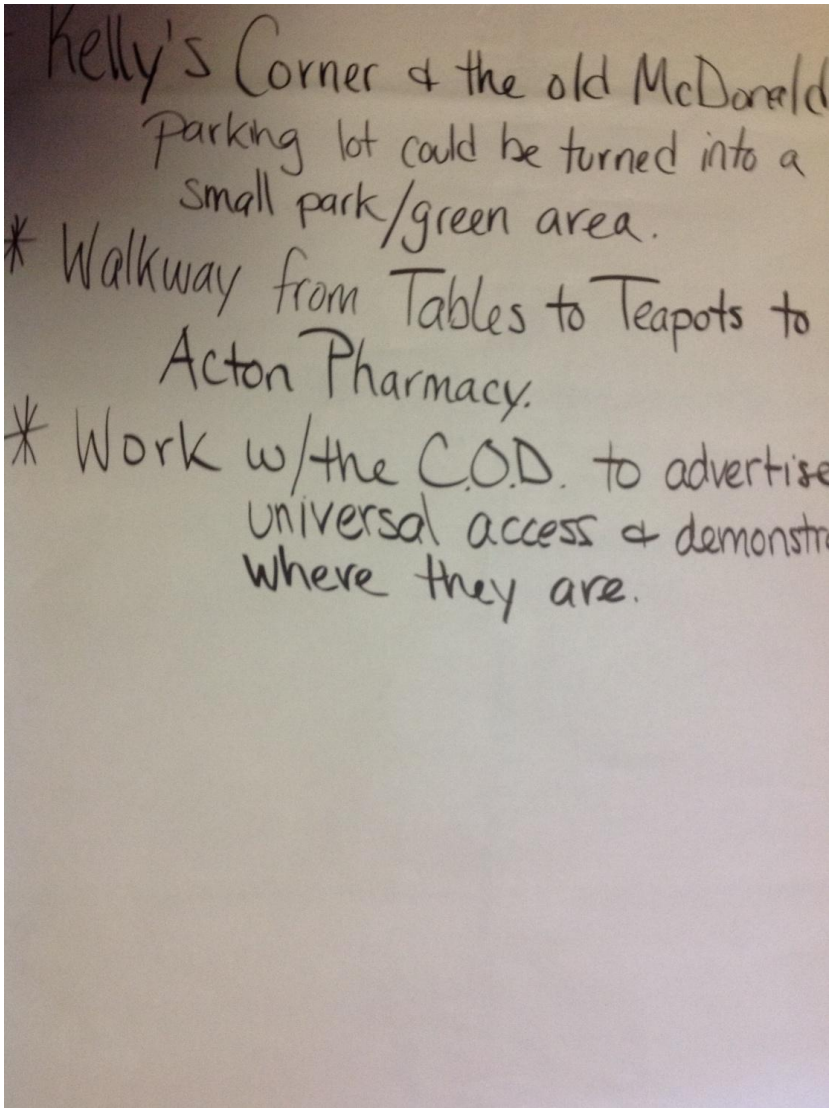
More public education + signage on invasives ID.

B. Environmental Resources

- Land mgmt plans for conservation parcels
- Technical assistan for privat land owners on developing mgmt plans. → how to increase diversit on your property
- Survey for tax lien properties for acquisition.
- Stream restoration ✱ including dam removal.



C. RECREATION OPPORTUNITIES
* Plowing the trail @ NARA Park & Arboretum
* Expand parking opportunities @ NAR
* Leave Morrison how it is.
* Morrison Farm needs signage.
* Separate dog park areas from recreational fields.
* Add more regitated areas around the pond.
* Publicize the playgrounds
* Diagram showing where the playgrounds are located.



Kelly's Corner & the old McDonald
Parking lot could be turned into a small park/green area.
* Walkway from Tables to Teapots to Acton Pharmacy.
* Work w/the C.O.D. to advertise universal access & demonstr where they are.
