There is a need for a combined Tree Warden/Board of Selectmen tree removal hearing regarding two pine trees located at the intersection of Quarry Road and Granite Road. I felt they were hazardous and the closest neighbor agreed. NSTAR had agreed to take them down at no charge to the Town, and had set up equipment to do so. Another neighbor, Todd Brown of Lincoln Tree Service, who is also a certified arborist, disputes my assessment. Since I know he will oppose the removal, it makes sense to move directly to the Selectmen hearing. There seems to be quite a bit of neighborhood interest in this matter.

I will need to advertise and post the trees for two weeks in advance, so the hearing should be in late September or early October, at the earliest, in order to meet the legal notice requirements.

Thanks

Dean
