Re: Wetherbee Plaza; Special Permit Application; 107-115 Great Road, Acton, MA

Dear Roland and Members of the Planning Board:

Thank you very much for considering my request for a Special Permit to install signage at the Wetherbee Plaza II building located at 107-115 Great Road, in Acton, Massachusetts.

1. The Milldam Leasing sign is slightly larger and will replace permit #3105. Dimensions have been provided.
2. The other signage is in connection with Northeast Collection's business which will be limited to internet sales at the present time.

Please let me know if this clarifies my intentions or if you need any further information.

Thank you.

Regards,

Leo Bertolami
