I am so sorry I forgot to respond to your previous email!

So, this fall we are doing our first holiday markets the Sunday before thanksgiving and the Sunday before December. Dave from Coastal Vineyards will be the only winery applying. He has submitted a whole new set of paperwork to the state, and is basically going through the process again for these two markets.

The market is going to be in the new gallery space at Villageworks in west Acton.

Let me know what you need from me and I'll be sure to make it happen!

Thanks Lisa,

Jenn

I received a call from one of the farmer wine vendors that inquired if they need to fill out another application for the 2 events in November and December. Could someone get back to me regarding this? Their permit only ran until late October.
