Engineering Department

September 29, 2015

Dear Alan Cathcart:

The Engineering Department approved your request dated September 22, 2015 to change the address of the Concord Water Treatment Plant. The new street address will be as follows:

<u>Old Address</u>	<u>New Address</u>	<u>Map/Parcel</u>
339 Nagog Hill Road	180 Skyline Drive	C4 / 14
13 Hazelnut St Behind	182 Skyline Drive	C4 / 32

A memo was forwarded to the various Town Departments to update their files appropriately. A copy of this memo has been included with this letter.

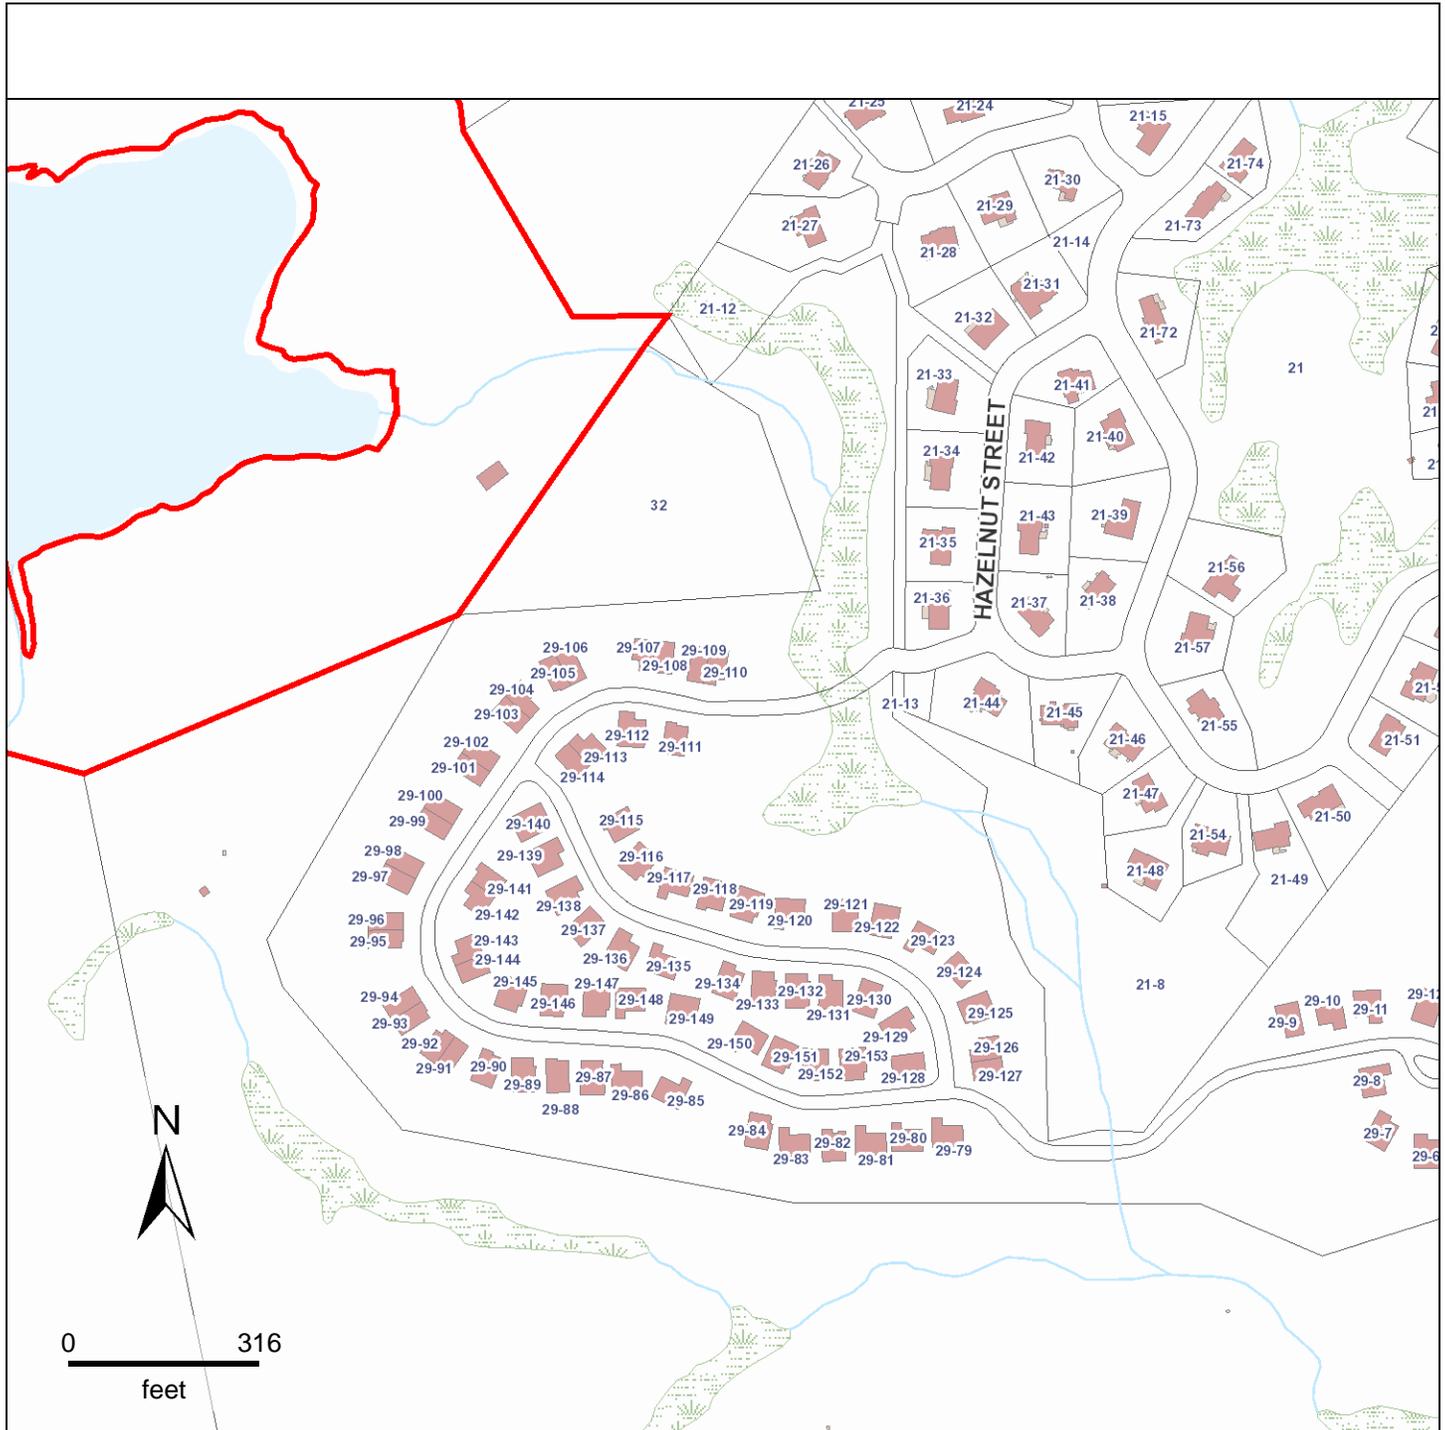

It is the owner's responsibility to complete the following tasks:

1. Notify the Acton Post Office of the new address.
2. Post the new street number on the dwelling in accordance with Section E1 of the Town Bylaws.
3. Notify your creditors, banks, Mortgage Company, utilities, magazine subscriptions and other correspondence. **It is especially important that you notify the telephone company so that the emergency 911 system is updated.**

It would also be to your benefit to verify this change with the Police and Fire Departments, so that there is no confusion in case of an emergency at your property in the future.

Sincerely,

Paul Campbell
Assistant Town Engineer
