Subject: Concord Nagog Water Treatment Facility - Request for 1/25/16 BOS hearing

Good Morning.

The Town of Concord's Nagog Water Treatment Facility Notice of Intent Hearing held on December 2, 2015 has been continued to January 6th, 2016. In response to this change in schedule, Concord respectfully requests that the Board of Selectman hearing for the Nagog Water Treatment Facility Site Plan Special Permit and Special Use Permit be scheduled for the January 25th, 2016 mtg. We understand that this will be 66 days after our application which was submitted on November 20, 2015. It is our expectation that this schedule will allow Concord to adequately address the interests and concerns raised at the Notice of Intent Hearing on December 2, 2015 and the forthcoming January 6th, 2016.

Please have Acton Beacon/Gatehouse Charge the Town of Concord directly for the required legal notice.

Concord Public Works

Water and Sewer Division

135 Keyes Road, Concord, MA 01742

Thank you and please contact me if you have any questions or need additional information to process this request.
