To the Acton Board of Selectmen:

On behalf of Acton Cleanup Day, sponsored by Green Acton, I am requesting permission to place 12 lawn signs at various right of ways around Acton to publicize Acton Cleanup Day which is on Saturday, April 30.

We would like to place the signs as early as possible during the week beginning Sunday, April 24. The signs will be removed by the end of the day of the event.

The requested locations for the signs are at the following intersections:

1. Central St. and route 111 (on the island)
2. Hayward Rd. and Main St. (NOT on the island)
3. Taylor Rd. and Minot St.
4. Main St. and Great Rd..(on the island)
5. Central St. and Martin St.(on the island)
6. Taylor Rd. and Main St. (Arboretum)
7. School St. and Main St. (Exchange Hall)
8. High St. and Rt. 62 (shopping plaza)
9. Prospect St. and Main. St. (on the island)
10. Ledge Rock Way and Main St.
11. Concord Rd. and Great Rd. (on the island)
12. Main St and Rt. 111 (SW corner).

These locations are similar to those approved for Cleanup Day last year.

We are also planning to place an additional 8 signs on private front lawns with permission of the owners.

The signs are 18" high by 24" wide and are similar in construction to the typical political candidate sign.

The message on the sign is as follows:

"This Saturday Acton Cleanup Day [www.GreenActon.org](http://www.GreenActon.org)"

We also plan to use 3 A-Frame type signs to identify the trash collection sites at Jones Tavern, Memorial Library and Douglas School.

Yours,
