**RE: 330 Nagog Hill Road - As-built Inspection Third Growing Season
DEP File No. 85-1117**

Dear Commissioners,

On October 21, 2015 our office conducted an as-built inspection of the buffer zone restoration plantings installed at 330 Nagog Hill Road (DEP File No. 85-1117) in 2013 to evaluate the effectiveness and health of the plantings after their third growing season.

Plantings were observed to be well established and in good health on the date of inspection.

If you should have any questions regarding this matter or require any additional information please contact our office.

Respectfully,
