Hi Kim -

For PA1588, the Sidewalk Committee requests a contribution be made to the sidewalk fund, using the established formula, in lieu of building a sidewalk for this project/development.

Thanks,  
Kate

Kim,

The fire department has a couple of concerns with this plan as drawn. The new drive way must be 20 feet wide to within 50 feet of the dwelling, if not the proposed home needs to be outfitted with a sprinkler system. The old home and drive way are all set do to it being an existing dwelling. The numbering as proposed is not acceptable, 37 must come before 39 as this gets very confusing on a dark rainy night and will most likely delay response.

Respectfully,

Robert Hart

Acting Fire Chief
