Subject: 348-364 Main Street Master Plan Special Committee Charge

The Board of Selectmen has approved the attached charge to form a Master Plan Committee for the property located at 348-364 Main Street. If you could please discuss and appoint one member to represent your committee at your next scheduled meeting and respond your representative choice back to me, I would greatly appreciate it. Any interested citizens at large interested in being a member will go through the regular process of filling out a volunteer application and interview with the VCC.
